--ABSTRACT--

In the English translation document, please insert the following paragraph at page 10 line 20 after the newly added ABSTRACT heading, as follows:

The invention relates to a remote control for issuing commands to a remote-controlled device in a wireless manner. In said remote control, an assignment mode can run prior to start-up. The remote control also comprises a rechargeable battery for supplying power. The remote-controlled device is equipped with a docking point for the remote control, to which the latter can be temporarily fixed.
